April 2, 2020

Greetings Pathways Families:

The staff of Pathways In Education would like to extend a humble thank you for your flexibility during this unprecedented time. As we navigate through uncharted territory, we must remain positive and support one another where needed. Moreover, it is our sincere hope that you are well, and your families are remaining safe in communities around the city of Memphis.

As principal, it is vital to maintain open lines of communication with students, parents, families, and stakeholders, as it pertains to important school matters and dates. To that end, the upcoming week of **APRIL 6TH through APRIL 10TH** will serve as **Spring Break** for our students. As we continue to work remotely through distance learning and maintaining social distancing, this timeframe can serve as a great opportunity for students to continue making academic progress. We ask for your continued support through the following:

- Provide a quiet workspace for your child to complete homework
- Inquire about what your child is learning
- Help check progress and understanding
- Most important—REMAIN POSITIVE AND SMILE!

In preparation for the break, teachers will be meeting with their students this week to devise an action plan for the work that is expected to be complete upon return. Again, we thank each of you for your support through trying times, and remember to remain positive and safe.

Respectfully Submitted,

Roderick L. Payne, Ph.D.
Principal
